

## Wednesday 10th May 2017

Post-graduate courses

NORA meeting 14.00-16.00

NSAN (Nordic Severe Asthma Network) 16.00-18.00

## Thursday 11th May 2017

08.00-08.30	REGISTRATION			
08.30-10.00	<b>Globalisation and the lung</b> Chairs: <i>E Lindberg S, C Janson S</i>  Global burden of pulmonary diseases <i>Jørgen Vestbo DK</i> Flying with chronic pulmonary disease <i>Anne Edvardsen N</i> Understanding phenotypes - the way forward to P4 medicine <i>Thorarinn Gislason I</i>			
10.00-10.30	Coffee in the exhibition hall			
Lecture hall	<b>Wisby</b>	<b>Vall</b>	<b>Viklau</b>	
10.30-12.00	<b>Idiopathic pulmonary fibrosis (IPF): Diagnosis, treatment and register-based research</b> Chairs: <i>Magnus Sköld, S</i> <i>Marjukka Myllärniemi, F</i>  10.30-11.00 IPF: Latest on diagnostic work-up <i>Riitta Kaarteenaho, F</i>  11.00-11.30 Are there any treatment options available? <i>Alan Altraja, E</i>  Why do we need national IPF registries? Input from Finland ( <i>Marjukka Myllärniemi</i> ), Sweden ( <i>Giovanni Ferrara</i> ) and Denmark ( <i>Elisabeth Bendstrup</i> )	<b>How to optimise the care of pulmonary patients through interprofessionell cooperations</b> Chairs: <i>Anne-Marie Gabrielsen, N</i> <i>Kerstin Romberg, S</i>  10.30-10.45 Results from the work by the Swedish Association of Local Authorities and Regions (SKL) <i>Margareta Emtner, S</i>  10.45-11.05 Local adaption of "The Health Care Interaction reform" - Interdisciplinary patient care at a local level in Stavanger <i>Kristian Jong Høine, N</i>	<b>Respiratory epidemiology in the Nordic countries</b> Chairs: <i>Christer Janson, S</i> <i>Charlotte Hyldgaard, DK</i>  Introduction <i>Christer Janson, S</i>  10.35-10.55 The Copenhagen Studies <i>Charlotte Suppli-Ulrik, DK</i>  10.55-11.15: RHINE/BOLD <i>Rain Jögi, E</i>  11.15-11.35 RHINESSA <i>Cecilia Svanes, N</i>	

		<p>11.05-11.20 Certification of Asthma/COPD-clinics in primary care in Skåne <i>Kerstin Romberg, S</i></p> <p>11.20-11.40 Interprofessional care in patients with home mechanical ventilation. Experiences from Iceland <i>Bryndís Halldórsdóttir, I</i></p> <p>Discussion</p>	<p>11.35-11.45: SCAPIS <i>Anders Blomberg, S</i></p> <p>Discussion</p>	
12.00-13.00	<p><b>Lunch in the exhibition hall</b> Satellite symposia sponsored by TEVA</p>			
13.00-14.30	<p><b>Lung transplanations</b> Chairs: <i>Alan Altraja, E</i> <i>Ann Lindberg, S</i></p> <p>13.00-13.45: Lung transplantations- what's new? <i>Maija Halme, F</i></p> <p>13.45-14.30: Debate: How should COPD be defined?</p> <p>COPD should be defined by fixed FEV1/FVC ratio <i>Kjell Larsson, S</i></p> <p>COPD should be defined by using lower limit of normal for the FEV<sub>1</sub>/FVC ratio <i>Kjell Torén, S</i></p>	<p><b>Rehabilitation in COPD and other pulmonary diseases</b> Chairs: <i>Harpa Arnardóttir, I</i> <i>Anders Östrem, N</i></p> <p>Rehabilitation in primary care, a Nordic model? <i>Anders Östrem, N</i></p> <p>Rehabilitation by Telehealth, a model for the future? <i>Audhild Hjalmarsen, N</i></p> <p>Rehabilitation to achieve asthma control <i>Margareta Emtner, S</i></p>	<p><b>Sleep-disordered breathing</b> Chairs: <i>Erve Söðru, E</i> <i>Jan Hedner, S</i></p> <p>OSA: Symptoms and comorbidity <i>Thorarinn Gislason, I</i></p> <p>Airflow limitation and hypoventilation in obesity <i>Sverre Lehmann, N</i></p> <p>OSA with COPD or asthma overlap <i>Tarja Saaresranta, F</i></p>	<p>SLMF Årsmöte (Swedish Respiratory Society Annual meeting)</p>
14.30-15.00	<p><b>Coffee in the exhibition hall</b></p>			

15.00-16.30	<p><b>Tuberculosis, current situation and update</b>  Chairs: <i>Lea Pehme, E</i>  <i>Helene Wallstedt, S</i></p> <p>Current epidemiology of TB/MDR-TB  <i>Helene Wallstedt, S</i></p> <p>WHO guidelines on MDR-TB: Challenges of the shorter MDR-TB regimen in Europe  <i>Manfred Danilovits, E</i></p> <p>Norwegian guidelines for tuberculosis  <i>Svein Hoegh Henrichsen, N</i></p>	<p><b>Monitoring asthma and COPD - what tools to use in primary and secondary care</b>  Chairs: <i>Ernst Omenaas, N</i>  <i>Charlotte Suppli Ulrik, DK</i></p> <p>Monitoring asthma and COPD in primary care  <i>Karin Lisspers, S</i></p> <p>Measuring airway inflammation in asthma and COPD  <i>Lauri Lehtimaki, F</i></p> <p>The use of physiology and imaging techniques in monitoring  <i>Leif Bjermer, S</i></p> <p>Discussion</p>	<p><b>Oral presentations</b>  Chairs: <i>Thomas Sandström, S</i>  <i>Peter Plaschke, DK</i></p>	<p>15.00-15.45: Swedish Respiratory Society Awards:</p> <p>Epigenetik och metabolomik vid KOL  <i>Annelie Behndig</i></p> <p>Immunsignalering via Th17-associerade cytokiner vid bakteriell kolonisering hos patienter med KOL och kronisk bronkit  <i>Anders Lindén</i></p> <p>15.45 SLIF Årsmöte</p>
16.30-17.30	Satellite symposia sponsored by <b>Astra Zeneca</b> (with refreshments)			
19.15	<b>Congress dinner</b>			

Friday 11th May 2017

<p>09.00-10.30</p>	<p><b>COPD in non-smokers</b> Chairs: <i>Cecilie Svanes N</i> <i>Ellen Tufvesson S</i></p> <p>Preterm birth; A risk for COPD in adulthood? <i>Per Thunqvist S</i></p> <p>Environmental exposure and COPD – from wood-smoke to e-cigarettes <i>Torben Sigsgaard DK</i></p> <p>Occupational exposure and COPD <i>Per Bakke N</i></p> <p>Bio-mass fuel and COPD <i>Onno van Schayck NL</i></p>	<p><b>Targeted therapy in lung cancer – a big step toward individualized medicine</b> <i>Chair: Bengt Bergman, S</i></p> <p>09.00 – 09.15 Introduction - A new treatment era in lung cancer <i>Bengt Bergman S</i></p> <p>09.15 – 09.45 EGFR inhibitors – New drugs override resistance <i>Odd Terje Brustugun N</i></p> <p>09.45 – 10.10 ALK inhibitors widen the therapeutic area <i>Maria Planck S</i></p> <p>10.10 – 10.25 SMIL – a national study for identifying molecular targets <i>Maria Planck S</i></p> <p>10.25 – 10.30 Concluding remarks <i>Bengt Bergman S</i></p>	<p><b>Orphan lung diseases</b> Chairs: <i>Inger Dahlén, S</i> <i>Tarja Laitinen, F</i></p> <p>Rare lung diseases – a genetic perspective <i>Tarja Laitinen F</i></p> <p>Rare lung diseases – a clinical perspective <i>Ulla Hodgson F</i></p> <p>Diffuse Cystic Lung Disorders (LAM, Langerhans cell Histiocytosis, Birt Hogg Dubè, Ehler Danlos, Congenital cystic adenomatoid malformation...) <i>Venerino Poletti DK</i></p>	
<p>10.30-11.00</p>	<p><b>Coffee in the exhibition hall</b></p>			
<p>11.00-12.30</p>	<p><b>Sarcoidosis</b> Chairs: <i>Rain Jögi, E</i> <i>Anne Sofie Bjerrum, DK</i></p> <p>EBUS in the diagnosis of sarcoidosis <i>Stefan Barath, S</i></p>	<p><b>Guidelines for asthma and COPD in the Nordic countries</b> Chairs: <i>Christer Janson, S</i> <i>Howraman Meteran, DK</i></p> <p>Guidelines in Estonia <i>Alan Altraja, E</i></p>	<p><b>Hot topics</b> Chairs: <i>Ole Hilberg, DK</i> <i>Andrei Malinovski, S</i></p> <p>Dysfunctional breathing - A common contributor to dyspnea in lung patients <i>Celeste Porsbjerg, DK</i></p>	<p><b>Poster session I</b> Chairs: <i>Vibeke Bakker, DK</i> <i>Jenny Theorell-Haglöw, S</i></p>

	<p>Pro-con: Is it enough with glucocorticoid treatment in pulmonary sarcoidosis? <i>Susanna Kullberg, S</i></p> <p>The epidemiology of sarcoidosis in Sweden and implications for future research <i>Elizabeth Arkema, S</i></p>	<p>Guidelines in Denmark <i>Celeste Porsbjerg, DK</i> Guidelines in Finland <i>Hannu Kanaanranta, F</i></p> <p>Guidelines in Iceland <i>Dora Ludviksdottir, I</i></p> <p>Guidelines in Norway <i>Sigurd Steinshamn, N</i></p>	<p>Telemonitoring with forced oscillation technique in COPD <i>Andrei Malinovsky, S</i></p> <p>New data from the Swedish national register on obstructive lung diseases <i>Ann Ekberg-Jansson, S</i></p> <p>Is asthma treatment doping? <i>Kjell Larsson, S</i></p>	
12.30-13.30	<b>Lunch in the exhibition hall / Satellite symposia sponsored by Chiesi</b>			
13.30-15.00	<p><b>Severe asthma</b> <i>Chair: Vibeke Backer, DK</i> <i>Anna von Bülow, DK</i></p> <p>Nordic Severe Asthma Network <i>Celeste Porsbjerg, DK</i></p> <p>Severe asthma in Iceland <i>Unnur Steina Björnsdóttir, I</i></p> <p>Severe asthma in Finland <i>Hannu Kanaanranta, F</i></p>	<p><b>Hypoxia</b> <i>Chairs: Eva Lindberg, S</i> <i>Sverre Lehman, N</i></p> <p>Chronic hypoxia - to treat or not to treat? <i>Magnus Ekström, S</i></p> <p>Hypoxia during sleep in COPD – <i>Nils Henrik Holmedahl, N</i></p> <p>Exercise-induced hypoxia <i>Margareta Emtner, S</i></p>		<p>Poster session II <i>Chairs:</i> <i>Dóra Lúðvíksdóttir, I, Björn Stållberg, S</i></p>
15.00-15.15	<p>Poster awards Closing remarks Next Nordic Lung Congress</p>
